The reason for the 2 open forums is so you the members have a formal opportunity to ask questions, share ideas or gather information so that under the formal business session you can if you want, make a clear and communicative motion. The Business Session is the only place for motions. If you have a motion to present and or you are shy about presenting it, ask any officer for advice. Our mission is Veterans taking care of Veterans. The team approach.

In the following or 2nd Open Form, is the opportunity for you to present something you may have forgotten during the 1st session, but no motions here please. Following this will help the meeting go faster and still have effective communication.
