The reason for the 2 open forums is so you the members have a formal
opportunity to ask questions, share ideas or gather information so that under the
formal business session you can if you want, make a clear and communicative
motion. The Business Session is the only place for motions. If you have a motion
to present and or you are shy about presenting it, ask any officer for advice. Our
mission is Veterans taking care of Veterans. The team approach.

In the following or 2nd Open Form, is the opportunity for you to present
something you may have forgotten during the 1st session, but no motions here
please. Following this will help the meeting go faster and still have effective
communication.
